Kelsey E. Loomis

ASSOCIATE

kloomis@wiggin.com
Stamford: +1 203 363 7648

Kelsey is an Associate at Wiggin and Dana in the Life Sciences Practice Group. Kelsey's practice primarily focuses on clinical trial operations, privacy and data protection matters, research and development collaborations, and licensing arrangements. She is also a member of wiggin(x).

Prior to joining Wiggin and Dana, Kelsey was Research and Development Associate Counsel for Alexion Pharmaceuticals, where she provided advice and counsel to the global Research and Development organization on clinical trial matters as well as research programs and collaborations. Kelsey also served as Corporate Counsel at Achillion Pharmaceuticals, where she advised clients on R&D, privacy and healthcare compliance matters.

Kelsey earned her J.D. *cum laude* from Quinnipiac Law School, with a Health Law concentration in which she graduated with honors. She received her Bachelor of Arts in Government and Economics from Connecticut College.
