

Demystifying HIPAA Compliance: Interview with Jody Erdfarb

Partner [Jody Erdfarb](#) was interviewed in a Medical Practice Management webinar called, “Demystifying HIPAA Compliance.” Jody explains what we really need to know about HIPAA compliance and breaks down:

- Who is required to be compliant?
- What does it even mean to be “in compliance” with HIPAA?
- Can I use generic HIPAA templates off the internet?
- Under what kinds of conditions can I share patient information?
- How does HIPAA affect my ability to market my practice?
