WIGGIN AND DANA

William Dunlap

CHIEF INFORMATION OFFICER

bdunlap@wiggin.com
New Haven: +1 203 498 4553

Bill Dunlap is the Chief Information Officer at Wiggin and Dana. Bill leads all facets of technology within the Firm and is responsible for managing and directing all aspects of the IT operations, including planning, security, strategic development and budgeting, staffing, scheduling, and deployments, as well as vendor relationships, contracts and agreements. He leads the technology team in day-to-day operations while providing key expertise and setting performance goals.

Bill brings over 25 years of legal industry expertise to his role. Prior to joining Wiggin and Dana, Bill worked at multiple law firms.

He is a former regional liaison and conference speaker for the International Legal Technology Association and technical liaison and conference speaker for The State Bar of Arizona.

Bill received his master’s in business administration and his bachelor’s from Cleveland State University.
