Best Lawyers in America. Since its inception in 1983, it has become universally regarded as the definitive guide to legal excellence in the United States. Because *Best Lawyers* is based on an exhaustive peer-review survey in which 18,000 leading attorneys throughout the country cast more than a half million votes on the legal abilities of other lawyers in their specialties, and because lawyers are not required or allowed to pay a fee to be listed, inclusion in *Best Lawyers* is considered a singular honor. *Corporate Counsel* magazine has called *Best Lawyers* "the most respected referral list of attorneys in practice."
